Compliance with Appropriate Fishing Authorities

All species caught must comply with fishing regulations as required by the NSW Government and must be caught on either fishing rods or handlines.

Entrants must also comply with NSW Waterways regulations, and any other relevant legislation. It is the responsibility of entrants to be fully aware of regulations covering minimum sizes and bag limits of fish, the requirements of appropriate boat licenses and safety equipment for NSW waters.

As from September 1, 2004, all Lake Mulwala waters are covered by NSW fishing laws, meaning you only need a NSW fishing licence to fish in Lake Mulwala.

Competitors must be aware that you can use no more than 2 rods with 2 hooks in Lake Mulwala and only 1 rod with 2 hooks in the Murray River between the Yarrawonga Weir and the Tocumwal Bridge.

Regulations

- * All regulations as outlined above must be adhered to. Breach of these regulations will result in disqualification of the offending angler.
- *Any boat found to contain illegal equipment or bait will result in disqualification of all competitors in the boat.
- *The committee reserves the right to inspect any equipment or bait used by competitors.
- *Any competitor found to be in breach of any of the above rules and / or regulations by NSW Fisheries will be disqualified from the competition.
